

JOIN THE CONVERSATION ON HASLEMERE HOSPITAL

Haslemere Hospital is run by Royal Surrey NHS Foundation Trust and has been at the heart of the local Haslemere community for over 100 years. The NHS is changing, and we have an opportunity to shape future services at Haslemere, which will continue to play a key role in providing health and care services for the local population.

WHAT IT INVOLVES: Join a face-to-face event in Haslemere on **Wednesday 25th June (6.30 – 9.00 pm)** to help shape the plans for the Community Hospital. We want to find out your thoughts on:

- What services would best serve the local community.
- Understand how to work with local residents to shape services.
- Prioritise which services feel most important for the community hospital.
- Work out how we might encourage local organisations to work together to better support you.

WHY IT MATTERS: What you have to say about the services you receive in your local area is important. This helps the local NHS shape its existing plans and take decisions that reflect the views and priorities of our communities and partners.

HOW TO JOIN: Scan the QR code or visit <https://www.surreysays.co.uk/nhs/1e2668d0> to learn more and sign up. Those who participate will receive a £50 voucher.

Spaces are limited, so sign up soon to participate!

If you have any questions, you can contact the **Research Team at Surrey Heartlands** via:
